

Assignment 1

Due Friday, September 12

Reading: Sections 1.1-1.3

Problems: The problems below are from sections 1.1 and 1.2. You are required to submit solutions to the even-numbered problems. You are responsible for understanding the solutions to all the problems. Solutions to the odd-numbered exercises are in the back of the book. Solutions to the even-numbered solutions will be posted after your work is submitted.

Chapter 1: 3, 4, 10, 11, 20, 25, 27, 32, 35, 43, 44, 47, 52, 60, 65, 66, 71
